

PREMANANDA WORLD TOUR 2017

*“... bringing
Swami Premananda’s
divine light...”*

Swamiji blessed Ashram delegates to go to all the Sri Premananda Centres and Groups around the world who invite them, and to take the powerful pink Lingam with them on such world tours.

He blessed them to go to all the Centres, to give blessings with that Lingam, to solve the devotees’ problems through the greatness of that Lingam, to give people the opportunity to receive Swamiji’s divine, spiritual grace, and to spread Swamiji’s divine light. These tours are for everyone’s benefit and peace of mind, for the growth of spirituality, and to spread Swamiji’s message.

SWAMI PREMANANDA

Swami Premananda (1951-2011) is a spiritual master who dedicated his life to serving others. He was the embodiment of unconditional love; his humility, patience and wisdom were infinite. He spent much of his life listening to people's problems, helping them to solve them and guiding them towards inner peace and happiness.

Swamiji attained Mahasamadhi (left his body) on 21st February 2011. Although Swamiji is not present with us physically, his divine grace, guidance and teachings continue to uplift and help all who come in contact with him.

“What does it matter where I stay? The eternal energy within me will reach you from wherever you call me and benefit you and the people around you. Understand that I come to you only to do good. If you keep me in your heart, I will come with you in whichever birth you take to do good for you and I will also do good for you in this birth, for as long as you are in your body.”
